FTS No.2872/Adv-A/2014
E. No.4/4/2014-IR(Pt.)

DoPT has sought our advice on the issue as to whether the Leader of single largest party in opposition can be considered as Leader of single largest group in opposition, Lok Sabha for the sake of section 12(3) of the RTI Act, 2005 (the Act).

2. The background of the case in which the issue arises is that the DoPT vide O.M. No. 4/4/2014-IR dated 12.6.2014 (PUC) requested the Lok Sabha Secretariat to clarify 'whether any leader of opposition in the Lok Sabha has been recognized. If the leader of opposition in the Lok Sabha has not been recognized as such, it is requested to kindly intimate the name of the leader of the single largest group in opposition of the Government in Lok Sabha, for the purpose of selection of Information Commissioners as per the RTI Act' and in response there to the Lok Sabha Secretariat vide their communication dated 19.6.2014 (p.2/N) stated that 'As on date, there is no Leader of Opposition in Lok Sabha. Indian National Congress with a strength of 44 members is, however, the single largest party in opposition to the Government in Lok Sabha. As per information received from the party, Shri Mallikarjun Kharge is the Leader of India National Congress in Lok Sabha.'

3. Section 12 of the Act deals with the Constitution of the Central Information Commission and sub section (3) of this section provides the procedure for appointments of the Chief Information Commissioner (CIC) and Information Commissioners (ICs). For ready reference, section 12(3) of the Act is reproduced below:

'(3) The Chief Information Commissioner and Information Commissioners shall be appointed by the President on the recommendation of a committee consisting of—

- (i) the Prime Minister, who shall be the Chairperson of the committee;
- (ii) the Leader of Opposition in the Lok Sabha; and
- (iii) a Union Cabinet Minister to be nominated by the Prime Minister.

Explanation.—For the purposes of removal of doubts, it is hereby declared that where the Leader of Opposition in the House of the People has not been recognised as such, the Leader of the single largest group in opposition of the Government in the House of the People shall be deemed to be the Leader of Opposition.'

4. The explanation given below to section 12(3) of the Act provides that in the absence of recognised Leader of Opposition in the Lok Sabha, the Leader of single largest group in opposition of the Government in the House of the People shall be deemed to be the Leader of Opposition.

5. The terms "recognised group" and "recognised party" are defined under section 2 of the Leaders and Chief Whips of recognised parties and groups in Parliament (Facilities) Act, 1998 (Act of 1999) and read as under:

'2. Definition. - In this Act, unless the context otherwise requires,-

(a) "recognised group" means,-

- (i)
- (ii) in relation to the House of the People, every party which has a strength of not less than thirty members and not more than fifty-four members in the House,

(b) "recognised party" means,-

- (i)
(ii) in relation to the House of the People, every party which has a strength of not less than fifty-five members in the House.'

6. Section 3 of Act of 1999 deals with facilities of the Leaders, Deputy Leaders and Chief Whips of recognised groups and parties and stipulates that subject to any rules made in this behalf by the Central Government, each leader, deputy leader and each chief whip of a recognised group and a recognised party shall be entitled to telephone and secretarial facilities provided such Leader, Deputy Leader or Chief Whip is not fallen in the categories mentioned below this section.

7. Section 2 of the Salary & Allowances of Leaders of Opposition in Parliament Act, 1977 (Act of 1977) reads as under:

'2. Definition.- In this Act, "Leader of the Opposition", in relation to either House of Parliament, means that member of the Council of States or the House of the People, as the case may be, who is, for the time being, the Leader in that House of the party in opposition to the Government having the greatest numerical strength and recognised as such by the Chairman of the Council of States or the Speaker of the House of the People, as the case may be.

Explanation.- Where there are two or more parties in opposition to the Government, in the Council of States or in the House of the People having the same numerical strength, the Chairman of the Council of States or the Speaker of the House of the People, as the case may be, shall, having regard to the status of the parties, recognise any one of the Leaders of such parties as the Leader of the Opposition for the purposes of this section and such recognition shall be final and conclusive.'

8. Each Leader of Opposition has statutory recognition and entitled for certain facilities and amenities to enable him to discharge his function in the Parliament as mandated under Sections 3,4,5,6,7, 8 & 8A of the Act of 1977.

9. Parliamentary system works on precedents and practices. The Act of 1977 provides for the Leader of parties in opposition having the greatest numerical strength and recognized as such by the Speaker / Chairman being recognized as LOP. Direction No. 120 of directions by the Speaker Lok Sabha (the directions) stipulates that 'the Speaker may recognize an Association of Members as a Parliamentary Party or Group for the purpose of functioning in the House and his decision shall be final.' Speaker's recognition is governed by the direction No. 121 of the directions which provide as under:

'Conditions for recognition

121. In recognising a Parliamentary Party or Group the Speaker shall take into consideration the following principles:-

(I) An association of members who propose to form a Parliamentary Party-

(a) shall have announced at the time of the general elections a distinct ideology and programme of Parliamentary work on which they have been returned to the House;

(b) shall have an organisation both inside and outside the House; and

6

-24-

FTS No.2872 /Adv-A/2014
F. No.4/4/2014-IR(PL)

(c) shall have at least a strength equal to the quorum fixed to constitute a sitting of the House, that is one-tenth of the total number of members of the House.

(ii) An association of members to form a Parliamentary Group shall satisfy the conditions specified in parts (a) and (b) of clause (i) and shall have at least a strength of 30 members.

10. The term 'single largest group in opposition' is not defined either under the RTI Act or Act No. 5/1999 or Act No. 33/1977 or in the compilation of "Directions by the Speaker Lok Sabha." The matter has been examined in the DoPT in light of information dated 19.6.2014 provided by the Lok Sabha Secretariat. In para 5 of DoPT's note (p.3/n), it is mentioned that 'as per RTI Act, in the absence of Leader of opposition, the Leader of the single largest group in opposition shall be deemed to be the leader of opposition, while Shri Mallikarjun Kharge is the Leader of Indian National Congress in Lok Sabha which is the single largest party in opposition in Lok Sabha.'

11. In the circumstances, our answer to the query is in the affirmative. We, however, clarify that this answer is only for the limited purpose of the RTI Act [explanation below section 12(3)] and not for any other purpose.

May kindly see.

RESOLUTION

The members of the Central Information Commission place on record their deep appreciation of the services rendered by the CIC, Shri Wajahat Habibullah, who is due to demit office on 30.09.2010 on completion of his 5-year-term. Shri Habibullah led and guided the Commission during its initial and difficult years, and helped the Commission contribute significantly to promote the right to information as well as transparency in governance.

The Commissioners wish to reiterate and emphasize that the successor to Shri Habibullah should be found from within the Commission. If the Chief Information Commissioner were to be appointed from outside the Commission, it will not only run contrary to the healthy conventions established in such collegial bodies as the Supreme Court, CEC and UPSC, but will also be extremely demoralizing for those already serving the Commission with exemplary dedication. It would also amount to uncritical acceptance of the loud clamour of certain vociferous ^{interested} ~~interested~~ groups, as rational wisdom.

In the interest of continuity, morale and the harmonious functioning of the Commission and the smooth and incremental evolution of the RTI regime in our country, it is necessary that the healthy convention of selecting the CIC from within the Commission be established and followed.

The petitioner said he is a devotee of an ashram in Uttarakhand. During his visits he found that the Nagar, in the past few years, has been dumping waste at the Omkarananda Muni-ki-reti, near a dry river bed. This dry river is flooded after nearly 500 meters of the rain it joins river Ganga.

"Hence, there is always a flow of whole garbage from the dump into the river Ganga, by the time it is dangerous as in such an event waste would exacerbate the already fragile ecology of the Nagar, get affected further due to pollution levels of this sacred river," he said.

30th October, 2015

Dear Sir,

This has reference to the meeting notice No.F.No.4/2/2015-IR dated 27th October, 2015 issued by Department of Personnel & Training, whereby the undersigned has been nominated as a Member on the Search Committee for shortlisting the names for the post of Chief Information Commissioner and Information Commissioners in the CIC. This meeting is being held on **2.11.15 at 5.30 PM** in the Cabinet Secretariat.

It is indeed an honour for any Civil Servant to be associated with a Search Committee of this nature. However, I would like to bring to your kind notice that since the elder brother of my wife is also one of the candidates, it would be against the norms of **propriety** for me to be sitting on this Committee as a Member. I would, therefore, like to recuse myself from this exercise. This may kindly be permitted.

with regards

Yours sincerely,

HON'BLE THE CHIEF JUSTICE

HON'BLE MR. JUSTICE RAJIV SAHAI ENDLAW

: **G.ROHINI, CHIEF JUSTICE**

1. This petition as a Public Interest Litigation, is filed alleging inaction on the part of the respondents in filling up the vacancies of Chief Information Commissioner and three Information Commissioners in the Central Information Commission and contending that the same has frustrated the very object of the Right to Information Act, 2005 (for short 'RTI Act').

2. We have heard the learned counsel for both the parties.

3. As per Section 12 of the RTI Act which provides for constitution of Central Information Commission, the Central Information Commission shall consist of the Chief Information Commissioner and such number of Central Information Commissioners not exceeding 10 as may be deemed necessary.

4. As against the total sanctioned strength of Information Commissioners of 10, by the date of filing of the petition on 06.04.2015, three posts were lying vacant for the past one year in addition to the post of Chief Information Commissioner which was lying vacant since 23.08.2014.

5. It is explained by the Under Secretary, Department of Personnel and Training, Government of India in his affidavit dated 09.04.2015 that an advertisement was published on 28.02.2014 in two English newspapers and one Hindi newspaper inviting applications for filling up two posts of Information Commissioners that were lying vacant by that time and in response to the same, 293 applications were received. The Search Committee which met on 21.04.2014 considered the applications and recommended panels for consideration of the Selection Committee constituted under Section 12(3) of the RTI Act. Even before the Selection Committee could meet, one of the Central Information Commissioners (Shri Rajeev Mathur) was elevated to the post of Chief Information Commissioner on 22.05.2014 and thus one more vacancy of the Central Information Commissioner arose. Therefore, a fresh advertisement was issued on 16.07.2014 inviting applications making it clear that those who have applied earlier in response to the earlier advertisement need not apply afresh. In pursuance thereof, 260 fresh applications were received by the last date i.e. 19.08.2014. Thus, the total applications received were 553

(293+260). While so, the tenure of the Chief Information Commissioner (Shri Rajeev Mathur) expired on 22.08.2014 and thus the post of CIC also fell vacant. On 24.10.2014, a Circular was posted on the website of Department of Personnel and Training inviting applications for the post of CIC and in response to the same a total number of 203 applications were received. It was further stated that the Search Committee met twice on 16.01.2015 and 06.02.2015 to shortlist the applicants for the Chief Information Commissioner and Information Commissioners respectively and that the selection would be made by the Selection Committee as provided under Section 12(3) of the RTI Act after the IB/CBI inputs and Vigilance Clearances were received.

6. Having taken note of the contents of the said affidavit, we passed the following order on 09.04.2015:

“In pursuance of the order passed by us on 08.04.2015, a detailed affidavit has been filed by the Under Secretary, Department of Personnel & Training explaining the steps that have already been taken for filling up the vacancies of the posts of the Chief Information Commissioner and the 3 Central Information Commissioners and assuring that the entire process of selection and appointment would be completed expeditiously.

We have heard the learned counsel for both the parties. Having regard to the undisputed fact that the non-appointment of the Chief Information Commissioner has virtually frustrated the very purpose of the Right to Information Act, 2005, we are of the view that it is necessary for this court to monitor the steps that are being taken for filling up the vacancies in question so as to ensure that all the vacancies are filled up within a timeframe.

Therefore, let the petition be listed on 11.05.2015 by which date the respondents shall report to this court the progress made.

Since it is pointed out by the learned ASG that the respondent has been wrongly described in the memo of parties and that as a matter of fact the Union of India is represented by the Department of Personnel & Training, the respondent in the memo of parties shall stand substituted as under:-

‘Union of India through the Department of Personnel & Training, Ministry of Personnel, Public Grievances & Pensions, North Block, New Delhi’.

The amended memo of parties be filed by the petitioner within one week from today.”

7. When the petition was listed again on 21.05.2015, a status note on behalf of the Respondent – Union of India (DoPT) has been filed stating that the process of appointment of the Chief Information Commissioner and Information Commissioners is at an advanced stage and that the Search Committee met on 27.04.2015 and shortlisted the applicants. It is also stated that the selection would be made soon after the vigilance clearance from the respective Cadre Controlling Authority in respect of shortlisted serving officers and inputs from the Intelligence Bureau in respect of retired officers is received. In the circumstances, it was submitted by Shri Sanjay Jain, the learned ASG that no further orders are necessary in the petition. However, Shri Prashant Bhushan, the learned counsel appearing for the petitioner submitted that it is necessary to issue directions to complete the selection process within a time schedule in view of the fact that more than 35,000 cases are pending in the Central Information Commission as of today.

8. After we have reserved the judgment on 21.05.2015, the petitioners filed a fresh application being CM No.20965/2015 bringing to the notice of this court that on 08.06.2015 the senior most Information Commissioner by name Shri Vijay Sharma was appointed as the Chief Information Commissioner and in the vacancy arose, Shri Sudhir Bhargava was appointed as the Information Commissioner. While pointing out that the three vacancies of Information Commissioners have not been filled up so far, it is further stated that the Department of P&T has issued a fresh Circular dated 09.09.2015 inviting applications for the post of Chief Information Commissioner and the Information Commissioners. Contending that the said Circular dated 09.09.2015 is nothing but an attempt to delay the entire process of appointment of the Information Commissioners against the existing 3 vacancies, the petitioners sought a direction to forthwith appoint the remaining three Information Commissioners in CIC and to set aside the Circular dated 09.09.2015.

9. The learned counsel for the petitioners Shri Prashant Bhushan submitted that the Circular dated 09.09.2015 is bad firstly for the reason that despite the pendency of the present writ petition, the respondent failed to take the leave of this court to put up a fresh Circular inviting applications and secondly there is no reason to terminate the process of selection that was already initiated on 25.02.2014. It is also contended that the Circular dated 09.09.2015 is absolutely vague and did not even disclose the number of vacancies intended to be filled up.

10. The Circular dated 09.09.2015 issued by the Department of Personnel and Training reads as under:

**“F.No.4/2/2015 –IR
Government of India
Ministry of Personnel, Public Grievances and Pensions
(Department of Personnel and Training)**

North Block, New Delhi
Dated: 9th September, 2015

Subject: Appointment of Chief Information Commissioner and Information Commissioners in the Central Information Commission.

The Government of India has constituted a body under the Right to Information Act, 2005 (the Act) known as the Central Information Commission (Commission) to exercise the powers conferred on and to perform the functions assigned to it under the Act. It is located in New Delhi. The Commission shall have the Chief Information Commissioner and upto ten Information Commissioners. The powers and functions of the Chief Information Commissioner in the Central Information Commission are as per the RTI Act.

2. It is proposed to appoint Chief Information Commissioner and more Information Commissioners in the Commission. The Act provides that the Chief Information Commissioner and Information Commissioner shall be person of eminence in public life with wide knowledge and experience in law, science and technology, social service, management, journalism, mass-media or administration and governance.

3. Further, the Chief Information Commissioner and Information Commissioner shall not be a Member of Parliament or Member of the Legislature of any State or Union Territory, as the case may be, or hold any other office of profit or connected with any political party or carrying on any business or pursuing any profession. It is clarified that cessation/termination of holding of office of profit, pursuing any profession or carrying any business is a condition precedent to the appointment of a person as Chief Information Commissioner and Information Commissioner.

4. The Chief Information Commissioner and Information Commissioner shall hold office for a term of five years from the date on which he enters upon his office or till he attains the age of 65 years, whichever is earlier. The salary and allowances payable to the Chief Information Commissioner shall be the same as that of the Chief Election Commissioner and Election Commissioner respectively, subject to adjustment of the pensionary/retirement benefits availed by him, if any, in accordance with the provisions of the Act.

5. Persons fulfilling the criteria and interested for appointment to the post of Chief Information Commissioner and/or Information Commissioner may send their particulars in the enclosed proforma by post to Under Secretary (RTI), Department of Personnel and Training, North Block, New Delhi or through e-mail to usrti-dopt@nic.in by **12th October, 2015**. Persons who are serving under the State/Central Government or any other Organization, should send their particulars through proper channel (administrative Ministry / Department / State / UTs). In case an advance copy of the application is sent before the due date the applications through proper channel should be furnished as soon as possible to be considered for further processing.

11. Having perused the Circular dated 09.09.2015, we found that it is absolutely silent about the process of selection that was already initiated vide Notifications dated 25.02.2014 and 16.07.2014. It also does not disclose the number of vacancies that are sought to be filled up. In the status note dated 07.05.2015 filed by the Department of Personnel and Training, it was stated that in response to the earlier advertisements, altogether 553 applications were received. It was also stated that the said applicants were already shortlisted and vide communication dated 05.05.2015 and

02.05.2015, the vigilance clearance was sought from the respective Cadre Controlling Authority in respect of shortlisted serving officers and inputs from the Intelligence Bureau in respect of retired officers. We have taken note of the fact that during the pendency of the writ petition, the vacancy of Chief Information Commissioner has been filled up and one Information Commissioner has been appointed in the fresh vacancy that arose. That being so, we are unable to understand as to why the Respondents have again issued a fresh notification dated 09.09.2015.

12. However, the list of the Chief Information Commissioner and the Information Commissioners holding office as of today, furnished by the learned Standing Counsel for Central Government, reflects that the tenure of one of the Information Commissioners out of seven would expire on 31.12.2016 and the others have a long tenure of more than two years. As is evident, there is no likelihood of any vacancy of Information Commissioner in near future. However, the Chief Information Commissioner's tenure will be completed on 01.12.2015. In case one of the serving Information Commissioners is appointed as the Chief Information Commissioner in the vacancy that would arise w.e.f. 02.12.2015, one more vacancy of the Information Commissioner is likely to arise.

13. In these circumstances, instead of setting aside the Notification dated 09.09.2015, we consider it appropriate to issue the following directions:

- (i) The selection process that has already been commenced vide Notifications dated 25.02.2014 and 16.07.2014 shall be finalized within six weeks from today and the three vacancies of Information Commissioners existing as of today shall be

filled up amongst the 553 applications that were received in response to the said two notifications.

- (ii) The selection process pursuant to the Circular dated 09.09.2015 shall be confined for selection and appointment of the Chief Information Commissioner in the vacancy that would arise w.e.f. 02.12.2015 and one Information Commissioner which is likely to arise w.e.f. 02.12.2015.

14. The writ petition is accordingly disposed of.

CHIEF JUSTICE

RAJIV SAHAI ENDLAW, J.

NOVEMBER 06, 2015
kks

Office of Attorney General for India
Supreme Court of India, New Delhi

Perused the file and the judgement of the Delhi High Court dated 6.11.2015 in R.K. Jain & Anr. Vs. UOI & Anr. (WP 3386/2015).

2. The Public Interest WP was disposed of with the following two directions:
 - (i) The selection process that has already been commenced vide Notifications dt. 25.2.2014 and 16.7.2014 shall be finalized within six weeks from today and the three vacancies of Information Commissioners existing as of today shall be filled up amongst the 553 applications that were received in response to the said two notifications.
 - (ii) The selection process pursuant to the Circular dt. 9.9.2015 shall be confined for selection and appointment of the CIC in the vacancy that would arise w.e.f. 02.12.2015 and one Information Commissioner which is likely to arise w.e.f. 0.12.2015.
3. I have discussed the matter with the Secretary, DoPT and other officers of the Ministry. In so far as the direction (ii) is concerned, it is clear to me that appointment of CIC pursuant to Circular dt. 9/9/2015, which vacancy will arise on 2/12/2015, ought to be carried out and no challenge ought to be made to the Supreme Court. Thus, the selection of CIC should go ahead and appointment order ought to be issued in a regular manner and wold not be subject to the result of any challenge which may be made by the Government.
4. A controversy has arisen in regard to the latter part of direction (ii) relating to the vacancy of one I.C. which is likely to arise w.e.f. 2/12/2015. I am informed that no current I.C. is likely to retire on 2/12/2015 or immediately thereafter. The said direction seems to be based on the fact that if a current I.C. is appointed as CIC then a consequent vacancy would arise in the case of I.C. It is in this manner that this direction has to be construed.
5. Should a current I.C. be appointed as CIC then the consequent vacancy of I.C. may be filled up pursuant to Circular dt. 9/9/2015. This concludes the discussion on this direction.
6. In regard to direction (i), the Department is aggrieved of the fact that vacancies of all three ICs have been directed to be filled up pursuant only to notifications dt. 25/2/2014 and 16/7/2014. Applicants who have applied pursuant to Circular dt. 9/9/2015 have excluded. In fact, it is the stand of the Department that appointments have since been made on 10/6/2016 and 11/6/2015 and the said notifications of 2014 have since exhausted themselves. Further, it is suggested that the current vacancies of ICs should be allowed to be filled up by applicants who have applied pursuant to 9/9/2015 and earlier applicants can also apply afresh. In fact more than 80 of the earlier applicants (pursuant to Notifications of 2014) have also applied.
7. In my view, an SLP may be preferred only in regard to direction (i) since direction (ii) is in order and no challenge is required.
8. The SLP may clearly state that no objection is being taken to the judgement of the High Court in regard to appointment of CIC pursuant to Circular dt. 9/9/2015. A statement in this regard may be made in the List of Dates and Synopsis at the beginning.
